### **Announcement:**

With immediate Effect, a copy of fumigation certificated must be provided to our office prior to vessel departure port of origin/ Singapore for all wooden goods or wooden packing materials used for shipments into Kota Kinabalu, East Malaysia.

Date: 17<sup>th</sup> February 2023

Dear Valued Partners,

Kindly note of the following message we have receive from our Penanshin Kota Kinabalu office on the announcement they have received from the Port & Custom Authority of Kota Kinabalu which would be effective immediate.

**#QUOTE#**

For your export LCL to Kota Kinabalu port, with immediate effects all cargo with wooden packing or pallets need to provide the fumigation certificate, otherwise all container will be hold by Port and Custom Authority at Kota Kinabalu port. For all incoming shipment provide the certificate for wooden packing involved. For any non-compliance all cost would be for the account of shipper/booking party/origin agent.

**#UNQUOTE#**

We seek your kind cooperation to send us copy of the fumigation certificate urgently for any shipments on water to Kota Kinabalu. Do have the certificates provided immediately to avoid heavy penalties and cost imposed at destination that would be recovered from shipper.

Kindly be guided accordingly.

**Yours Sincerely,**

**Management of Penanshin Shipping**
